

Flagger diagram (OTTCH Diagram 320) for route through North Powder - Baker City Cycling Classic

The race will have two flaggers and one corner marshall at the off ramps. Signs will be placed 100 ft apart and there will be a 75 ft space between the flaggers and the intersection. The corner marshall will be in place to direct the vehicles and riders in the race as they turn right onto HWY 237 heading into North Powder.
