

Baker City Cycling Classic Volunteers,

Thank you for being a part of our team. Your contribution to this year's Baker City Cycling Classic, June 26th to 28th, is invaluable. 2026 is our 25th Anniversary. We are so happy you can join us. In addition to the race, we are excited to collaborate with other community groups during our race weekend. Below are the details of these events and the specifics of your volunteer roles over the three days and four racing stages. Baker City Cycling Classic is a Baker Loves Bikes event, and your Involvement is crucial to our nonprofit's mission of "Educating and supporting greater access to all cyclists in Baker County".

Please Read Below Pages with Important What – Where- When Information: This will help you know simple basics of volunteering for our event: **1.)** What to do **2.)** Where to be **3.)** What Time to be there. Let's do it! Help volunteer at this year's Baker City Cycling Classic and help celebrate the 25th Anniversary of our race.

Additional Community Events

YMCA Kids Race. Another exciting event is the YMCA Kids Race. This fun-filled race, scheduled for Saturday, June 26th, from 11:00 a.m. to 1:00 p.m. in Downtown Baker City at Washington and Main Street, is great for our volunteers to interact with the community's young cyclists and their families. We encourage you to join in the fun and cheer on the participants!

Stage 1 Awards and Spaghetti Feed fundraiser at Churchill. Another event to look forward to is the Compassion Center Spaghetti Feed. This community gathering, scheduled for Friday, June 26th, from 5:00 pm - 8:00 pm at Churchill Art and Music Center, 3451 Broadway Street, is a chance for us to give back. The proceeds from this event will go to the Baker Loves Bikes Bike Park Project. The Spaghetti Feed coincides with the Stage 1 Catherine Creek Road Race Podium and Awards Presentation. Stage 1 Awards Presentation will be 6:30 pm – 8:00pm

Dooley Mountain Chile Feed and Awards Celebration. The Finale for Baker City Cycling Classic. Come up to Summit Finish for Stage 4 on Dooley Mountain and cheer on racers completing one of the toughest road race stages in the Northwest. Stage 4 Dooley Road race Sunday, June 28thnd, finishes at the summit of Dooley Mountain Lakes Mountain and has proven champions and talent that have succeeded in the world stage of professional cycling. Join us for a post-race award ceremony and chili feed. Barley Brown's will also be on-site with racer and fan finisher refreshments.

Important Please Read Below Information: Baker City Cycling Classic
Volunteer What-Where-When broken down by Stages.

Stage 1 Friday, June 26th Catherine Creek Road Race.

Drivers/Radio Controllers:

What: Driver/Radio Controller Meeting **Where:** Baker City High School RM 106 **When:** Friday June 26th 8:30am

Meet at Baker High School, Room 106, for a driver meeting and instructions with OBRA officials. After the meeting, move to the BHS parking lot, set up your radio equipment in your vehicle, specify your peloton, and organize your position within your caravan based on meeting instructions.

Certified Flaggers:

What: Flagger Set-Up Instruction **Where:** Baker City High School Parking Lot **When:** Friday June 26th 8:30am

Meet at Baker High School Parking Lot for set-up instructions and intersection locations. Flagger team organizers David and Niwa Flanagan will have equipment placed at intersections.

Feed zone Teams:

What: Feed Zone Team Set-Up Instructions **Where:** Baker City High School Parking Lot **When:** Friday June 26th 8:30am Friday, June 26th

Meet at Baker High School in the hallway between the basketball court and the stage for team instructions, water bottles, and supplies. Bottle Prep Team will have bottles washed, filled, and ready for feed zone Teams placed along the hallway wall.

Start/Finish Line Set-up crew:

Friday, June 26th, 8:30 a.m. Meet at the Baker High School Parking Lot for set-up instructions. Help drivers mark vehicles and help with basic start organization, then head with U-Haul and trailer to the Finish line area for set up

Stage 2 Saturday, June 27th Baker City Time Trial

Corner Marshals:

What: Time Trail Corner Marshal Set-Up Meeting **Where:** OTEC Parking Lot **When:** Saturday June 27th 7:00am Saturday, June 27th, 7:00 a.m.

Meet at the Oregon Trail Electric Cooperative parking lot for instructions, signage, and gear. After getting signage and gear, head to the instructed corner to sweep gravel and debris and set up direction signage. Our race starts at 8:30. Racers will leave the starting area every 30 seconds. A sweep rider will inform corner marshals when the last rider has gone through. Expect approximately 2.5 hours for 300 racers

Time Trial Start and Finish Helpers:

What: Time Trail Start and Finish Line Set-Up Meeting **Where:** OTEC Parking Lot **When:** Saturday June 27th 7:00am Saturday, June 21st, 7:00 a.m.

Meet at the Oregon Trail Electric Cooperative parking lot for instructions. We will divide up and send the finish-line helpers to the finish line at the start of the race. Start helpers will be providing start-whip communication and start-holder duties. Finish-line helpers will provide safety and communication to racers as they finish. **Important:** Baker City Time Trial finishes less than 300 yards from a train crossing. Finishing line helpers must secure finishers and keep them aware of this crossing before they prepare to return to OTEC or their lodging.

Certified Flaggers:

What: Time Trail Flagger Set-Up Meeting **Where:** OTEC Parking Lot **When:** Saturday June 27th 7:00am Saturday, June 27th, 7:00 a.m.

Meet at the Oregon Trail Electric Cooperative parking lot for instructions and set-up. Baker City Time Trial has one major intersection, the corner of Pocahontas and Wingville. Flagger coordinators David and Niwa Flanagan will have equipment placed at this intersection ready for execution.

Time Trial Start and Finish line setup:

What: Time Trail Start Finish Setup Meeting **Where:** OTEC parking lot **When:** Saturday, June 27th, 7:00 a.m.

Meet at the Oregon Trail Electric Cooperative parking lot for instructions and set-up. Finish line crew duties: Set up Tents/Tables and chairs at finish. Start Barricades, tents, timing equipment and PA for Start.

Stage 3 Saturday, June 22nd Baker City Downtown

Criterium Stage 3 Baker City Downtown Criterium Course Set Team:

What: Criterium Course Set-up **Where:** Downtown Baker City Main Street/Washington

When: Saturday, June 27th, 9:30 a.m.

Meet at the corner of Washington and Main Street. The city will have street closure signs and wooden barricades placed near their positions. Team coaches will set up a map to ensure the correct setup. The barricade trailer and insulation bails will be unloaded and pulled through the course. Start/Finish scaffolding will need to be set up, and signs will need to be placed. Course marking tape will need to be stung around the inside and outside of the course. **Note:** Course Set-up teams save energy for specific OBRA officials, and Timing/Camera area set-up will be directed by the race director.

Stage 3 Baker City Downtown Criterium Corner Marshals:

What: Corner Marshals for cross walks on Criterium Course **Where:** Baker City Downtown Criterium Course **When:** Saturday, June 27th, 12:30 p.m.

Meet at Washington and Main Street for instructions and course positions. Corner marshal coordinator will assign shifts and hand out whistles and Hi-Viz vests. Racing is from 1:30-7:30

Stage 3 Baker City Downtown Criterium Moto Team:

What: Lead Moto drivers for Criterium racing **Where:** Downtown Baker City Criterium Course **When:** Saturday, June 27th, 12:30 p.m.

Meet at Washington and Main Street for instructions and a prerace course check. Criterium racing starts at 1:00 p.m. The Moto team will rotate riders over the six hours of racing. At least three Moto riders will be needed to cover shift rotation.

Stage 3 Baker City Downtown Criterium Take Down Team:

What: Clean up take down Criterium Course **Where:** Downtown Baker City Criterium Course **When:** Saturday, June 27th, 7:30 p.m.

Meet at Washington and Main Street for instructions. The barricade trailer will be loaded as it pulls through the course. U-Haul will move through the course for insulation bales. City street closure signs and wooden barricades must be packed and stacked near corners. PA System and start-finish scaffolding will need to be placed in U-Haul. Shimano course tape and all garbage will need to be picked up. Downtown Baker City must look like race never happened, leaving no trace of Baker City Downtown Criterium.

Stage 4 Sunday, June 23rd Dooley Mountain Road Race Stage

Dooley Mountain Road Race Drivers/Radio Controllers:

What: Diver/Radio Controller Instruction Meeting **Where:** Baker High School Rm 106

When: Saturday June 28th 6:30am Sunday, June 28th, 6:30 a.m.

Meet at Baker High School, Room 106, for a driver's meeting and instructions with OBRA officials. After the meeting, move to the BHS parking lot, set up your radio equipment in your vehicle, specify your peloton, and organize your position within your caravan based on meeting instructions.

Stage 4 Dooley Mountain Road Race Certified Flaggers:

What: Flagger Set-Up Meeting **Where:** Baker City High School Parking Lot **When:** Sunday June 28th 6:30am Sunday, June 22nd, 6:30 a.m.

Meet at Baker High School Parking Lot for set-up instructions and intersection locations. Flagger team organizers David and Niwa Flanagan will have equipment placed at intersections.

Stage 4 Dooley Mountain Road Race Feed Zone Teams:

What: Feed Zone Team Set-Up Meeting **Where:** Baker City High School Parking Lot **When:** Sunday June 28th 6:30 am Sunday, June 28th, 6:30 am.

Meet at Baker High School in the hallway between the basketball court and the stage for team instructions, water bottles, and supplies. BHS Girls Basketball will have bottles washed, filled, and ready for Teams placed along the hallway wall.

Stage 4 Dooley Mountain Road Race Start/Finish Line Set-up crew.

What: Dooley Mountain Finish Set-up **Where:** BHS/Summit Dooley Mountain **When:** Sunday, June 22nd, 6:30 a.m.

Meet at the Baker High School Parking Lot for set-up instructions. Help drivers mark vehicles and help with basic start organization, then head with both U-Hauls and trailer to the Finish line area for set up at Dooley Mountain Summit. Note: The second U-Haul is for the bike return shuttles
